ARTICLE 3 - Cooperative

Section 3.1 Capital Credits.

A. Patron.

The term patron means a member of the cooperative who is eligible to receive an allocation of capital credits as a result of the purchase of electric energy from the cooperative.

B. Allocations of Capital Credits.

Consistent with this bylaw, the allocation of capital credits is in the discretion of the Board and the Board must determine the notice of revenue, manner, method, and timing of allocating capital credits. The cooperative may use or invest unretired capital credits as determined by the Board. To secure a patron's obligation to pay amounts owed to the cooperative, including any compounded interest and late payment fee, and in return for the cooperative providing a service to the patron, the cooperative has a security interest in capital credits allocated to the patron. The patron authorizes the cooperative to perfect this security interest by filing a financing statement.

Section 3.2 Interest or Dividends on Capital Prohibited.

The cooperative shall always be operated on a cooperative, non-profit basis for the mutual benefit of its patrons. No interest or dividends shall be paid or payable by the cooperative on any capital furnished by its patrons.

Section 3.3 Patronage Capital in Connection with Furnishing Electric Energy.

In the furnishing of electric energy, the cooperative's operations shall be so conducted that all patrons, members, and non-members alike, through their patronage furnish capital for the cooperative. In order to induce patronage and to assure that the cooperative will operate on a non-profit basis the cooperative is obligated to account on a patronage basis to all its patrons, members and non-members alike, for all amounts received and receivable from the furnishing of electric energy in excess of operating costs and expenses properly chargeable against the furnishing of electric energy. All such amounts more than operating costs and expenses, now or receipt by the cooperative, are received with the understanding that they are furnished by the patrons, members, and non-members alike, as capital.

Section 3.4 Allocation of Capital Credits.

The cooperative is obligated to allocate, by credits to a capital account for each patron, all such amounts more than operating costs and expenses. The books and records of the cooperative shall be set up and kept in such manner that at the end of each fiscal year the amount of capital, if any, so furnished by each patron is clearly reflected and credited in an appropriate record to the capital account of each patron, and the cooperative shall within a reasonable time after the close of a fiscal year notify each patron of the amount of capital so credited to his, her, or its account. All such amounts credited to the capital account of any patron shall have the same status as though paid to the patron in cash pursuant to a legal obligation to do so and the patron had then furnished the cooperative corresponding amounts of capital. Any operating loss of the cooperative shall be offset by subsequent year's margins prior to allocation.

Section 3.5 Allocation by Board.

Consistent with this bylaw, the allocation of capital credits is in the discretion of the Board. The Board is the sole determinate of the nature of its revenues; and the Board must determine the manner, method, and timing of allocating capital credits. The cooperative may use or invest unretired capital credits as determined by the Board.

Section 3.6 Payments of Capital Credits.

A. Final Payments.

In the event of dissolution or liquidation of the cooperative, after all outstanding indebtedness of the cooperative shall have been paid, outstanding capital credits shall be retired, without priority, on a pro rata basis before any payments are made on account of property rights of members. If, at any time prior to dissolution or liquidation, the Board of Directors shall determine that the financial condition of the cooperative will not be impaired thereby, the capital then credited to patrons' accounts may be retired in full or in part.

B. Dissolution of Capital.

Any such retirement of capital upon dissolution shall be made in a manner as specified by the Board of Directors for any respective year, adopted by an affirmative vote of two-thirds (2/3) of the membership of the Board of Directors and prescribing a policy for payment of capital credit on a basis consistent with the legal requirements for the payment of such capital credit. In no event, however, may any such capital be retired unless after the proposed retirement, the capital of the cooperative shall be sufficient to meet the requirement of lending institutions and agencies.

Section 3.7 Payment Upon Death.

Notwithstanding any other provision of these bylaws, the Board of Directors, at its discretion, shall have the power at any time upon the death of any natural person who is a patron, if the legal representatives of his or her estate shall request in writing that the capital credited to any such deceased patron be retired prior to the time such capital would otherwise be retired under the provisions of these bylaws, to retire capital credited to any such deceased patron immediately upon such terms and conditions as the Board of Directors may designate. Estate capital credits are subject to a discount rate established by the Board of Directors.

Section 3.8 Retiring Capital Credits.

The cooperative may retire and pay capital credits allocated to patrons and former patrons as provided in this bylaw. If the cooperative retires and pays capital credits, then the cooperative must retire and pay capital credits in a patron's name as shown in the cooperative's records, regardless of the patron's marital status. If the cooperative mails a retired capital credit payment, then the cooperative shall mail the payment to the patron or former patron's address as shown in the cooperative's records.

A. Capital Credit Recoupment and Offset.

Regardless of a statute of limitation or other time limitation, after retiring capital credits allocated to a patron or former patron, the cooperative may recoup, offset, or setoff an amount owed to the cooperative by the patron or former patron, including any compounded interest and late payment fee, by reducing the allocated or net present value amount of retired capital credits paid to the patron or former patron by the amount owed to the cooperative.

B. Capital Credit Retirement Discretion.

The cooperative may retire and pay capital credits only if the Board determines that the retirement and payment will not adversely impact the cooperative's financial condition. Consistent with this bylaw, the retirement and payment of capital credits are in the sole discretion of the Board and are not affected by previous retirements and payments. The manner, method, and timing of retiring and paying capital credits may be determined only by the Board.

C. Discounted Capital Credit Payments.

As determined by the Board, before the time the cooperative anticipates normally retiring and paying capital credits, the cooperative may retire some or all capital credits and pay the net present value of the retired capital credits.

Section 3.9 Patron Agreement.

Each patron and former patron agree that:

1. capital credits are not securities under state or federal law.
2. the patron's right to capital credits vests, accrues, becomes redeemable, and becomes payable only upon the cooperative retiring the capital credits as provided in these bylaws, and not upon the cooperative allocating the capital credits; and
3. as required by law, each patron will:
 - a. report to the appropriate entity all allocated or retired capital credits; and
 - b. pay the appropriate entity any tax or similar amount on allocated or retired capital credits.

Section 3.10 Debts Offset.

Regardless of the statute of limitations or other time limitation, the cooperative may recoup, offset, or set off any amount owed to the cooperative by a patron prior to the payment of capital credits to the patron. Patron amounts offsets shall be together with interest thereon on the Texas legal rate on judgments in effect when such amount becomes past due, compounded annually.

Notwithstanding the above and foregoing, a sale, exchange, transfer or other disposition of all or substantially all the cooperative property is authorized at a meeting of the members thereof by an affirmative vote of not less than two-thirds (2/3) of the members of the cooperative.

Except as otherwise provided by the members after the membership approves a transfer, the board may abandon the transfer.

Section 3.12 Merger or Consolidation.

A. General.

The cooperative may consolidate, merge with, or acquire an entity operating on a cooperative basis that provides any good or service. To consolidate, merge or acquire, the cooperative must comply with this bylaw.

1. terms and conditions of the consolidation, merger, or acquisition.
2. name of each entity consolidating or merging with the cooperative.
3. name of the new or surviving consolidated or merged entity.
4. manner and basis, if any, of converting memberships or ownership rights of each consolidating or merging entity into memberships or ownership rights of, or payments from, the new entity.
5. number of directors of the new entity, which must equal or exceed five (5).
6. date of the new entity's annual meeting.
7. names of new entity directors who will serve until the new entity's first annual meeting; and
8. other information required by law.

C. Member Approval.

To consolidate or merge:

1. after the Board approves a consolidation, merger or acquisition agreement, a majority of the members voting in person, by mail-in ballot, or electronic ballot approved by the Board of Directors shall constitute a quorum to vote on a consolidation, merger or acquisition.

D. Notice.

The cooperative shall notify directors of a board meeting, and members of a meeting, at which directors or members may consider a consolidation, merger, or acquisition agreement. This notice must contain or be accompanied by a summary or copy of the consolidation or merger agreement.

E. Other Requirements.

Section 3.13 Distribution of Cooperative Assets Upon Dissolution.

A. Cooperative Assets Upon Dissolution. Upon the cooperative's dissolution:

1. the cooperative shall pay, satisfy, transfer, or discharge all cooperative debts, obligations, and liabilities.
2. the cooperative shall retire and pay all capital credits allocated to patrons and former patrons; and
3. after paying, satisfying, or discharging all cooperative debts, obligations, and liabilities, and after retiring and paying all capital credits.
 - a. the cooperative shall first distribute gains from selling an appreciated cooperative asset to members and former members who used services during the period in which the cooperative owned the cooperative asset in proportion to the value or quantity of services used by the member or former member during the period the cooperative owned the cooperative asset;
 - b. the cooperative shall then distribute non-patronage earnings used by the cooperative as permanent, unallocated equity to members who used services during the period in which the cooperative received the earnings in proportion to the value or quantity of services used by the member during the period the cooperative received the earnings; and
 - c. the cooperative shall then pay or distribute any remaining cooperative assets, and any amounts received from selling any remaining cooperative assets, to the members and former members in proportion to the value or quantity of services used during the seven (7) years before the cooperatives dissolution.

Section 3.14 Contracts.

Except as otherwise provided in these bylaws, the Board may authorize the President & Chief Executive Officer to enter into any contract or execute and deliver any instrument in the name and on the behalf of the cooperative, and such authority may be general or confined to specific instances.

Section 3.15 Fiscal Year.

The fiscal year of the cooperative may begin the first day of April of each year and may end on the last day of March of the following year.

Section 3.16 Membership in Other Organizations.

The cooperative may upon the authorization of the Board, purchase stock in or become a member of any corporation or organization organized on a non-profit basis for the purpose of engaging in or furthering the cause of rural electrification and development. The cooperative may wholly own a for-profit subsidiary or affiliate.

Article 4 – Bylaw Amendments and Rules

Section 4.1 Bylaw Amendment.

Except as otherwise provided in these bylaws, these bylaws may be adopted, amended, or repealed only by the vote of two-thirds (2/3) of directors at any regular or special meeting. Such bylaw amendment is effective immediately after the vote approving the amendment. The amended bylaws shall be made available upon request to any cooperative member.

A. Notice of Bylaw Amendment.
