Agreement

The member agrees he/she is requesting a list of Tri-County Electric Cooperative members within his/her district to obtain signatures on a petition for the director nomination process.

The member agrees to only use the membership list as part of the Tri-County Electric Cooperative Board of Directors nomination process, and will not use, make available, copy, loan or utilize any method that would allow the membership list to be made public or use for personal or commercial distribution beyond soliciting petition signatures.

The member will return the list by the director application deadline – Thursday, March 10 at 5 pm – to Darryl Schriver, President/CEO, at the cooperative’s main office located at 200 Bailey Ranch Road in Aledo, Texas.

A written change authorization must be signed by both parties and approved by the Tri-County Electric Cooperative’s Board of Directors to authorize any use beyond obtaining petitions signatures to be nominated to the board.

The member will reimburse the cooperative with a flat fee of \$25 for the membership list.

IN WITNESS WHEREOF, the parties hereto have caused this agreement to be effective as of _____, 2022.
